Features and Construction Specifications

Construction: Tops, side panels and chassis are manufactured using 1" thick three-ply balanced, 45lb. particle board panels finished in premium grade Thermo-fused Laminate. (TFL). All desks, credenzas, returns, hutches, and storage components ship fully assembled.

Connections: Desk chassis are fastened with European style barrel screws, black steel brackets, pocket screws or concealed fasteners.

Edge treatment: Thermally fused PVC edge band matching finish color is used on all panels and surfaces providing a durable, contemporary finished product.

Assembly: Denali Desk Collection products are shipped assembled, some pieces may require minor assembly

Panels: 1"-thick end panels on desks, returns, credenzas, and bookcases. 3/4" thick end panels on hutches.

Drawer Boxes: Drawer boxes are maple finish with matching bottom. File drawers accommodate both letter and legal files and include file hanging rods. Drawer fronts are inset to end panels except on storage units.

Drawer suspension: All drawers use high quality, full extension stainless steel ball bearing suspensions.

Locks: Locks are included in all pedestals.

- Full pedestals come standard with a face lock, all drawers lock.
- Hanging BF pedestals include a standard side mounted lock, all drawers lock.
- Black lock cylinder and bezel is standard, Silver is optional.
- Pedestal key numbers are randomly assigned to all locking pedestals.
- Master keys and keyed-alike combinations are available

Drawer Pulls: Curated modern low profile black drawer pulls are standard. Nickel is optional.

Adjustable Leveling Glides: All panels, cabinets, and table bases include adjustable glides.

Pedestals: Are 16" wide with selected finish on side panels and drawer fronts.

File cabinets and pedestals include locks, adjustable glides and file rods.

Lateral files: Includes standard face mounted lock. All drawers lock. Lateral files and multi-file cases are matching laminate on all four sides.

Grommets: Grommets for power and data cables are standard on all worksurfaces. Additional grommets are available.

Worksurface Power Grommets: Power grommets containing Duplex Outlet and USB Ports are available for all worksurfaces.

Materials: Denali Collection desks are manufactured using Thermo-formed Laminates TFL, that are FSC and ECC certified and manufactured using 100% pre-consumer recycled or recovered wood fiber, which saves trees and avoids landfill.

Off gassing and emissions are well below CARB Phase 2 levels.

Warranty: Denali Desk Collection case goods are warrantied against defects in material and workmanship given normal usage and care for 10 years.

The company will repair or replace at its option, and at its own cost, any product that develops a defect during the warranty period.
